Pandit SATI

Offers the traditional knowledge of Vedic Jyotish about the influence of the 9 planets, 12 Rashis and 27 Nakshatras to our life.

The purpose of Jyotish is to help us to reach the state of Yogic Samadhi as well as to avoid the danger which has not yet come.

The torch to foresight any life event is Jyotish giving insight into future developments in areas like health, wealth, happiness, spirituality and others.

Jyotish not only analyses, but also suggests to start new activities like business, house building, marriage, etc. at the proper time.
